Suggested reading to your group before you pass the basket for the 7th Tradition

In observance of our 7th tradition, “Every AA group ought to be fully self-supporting declining outside contributions.” A suggested contribution of $3 is recommended so we may pay for meeting expenses and make group contributions to other AA entities to ensure Alcoholics Anonymous is here for the newcomer.

If you are a newcomer and can not afford to contribute, your contribution may be that you are sitting in a meeting of Alcoholics Anonymous.
