

## **DCM Report March 2024**

Met with District 55 AA members and finalized the Post Conference Assembly flier. The Post Conference Registration is now open and AA members can register on CNIA.org

We will meet again on Thursday April 18<sup>th</sup> to discuss volunteers for set-up, snack bar, registration, set-up, clean-up and items that we will need to bring. Need to have a coffee pot for coffee.

Attended ACM meeting via zoom on March 16, 2024. Provided an update for district 47 and Post Conference Assembly. I heard that many other districts were hosting an Agenda Item Workshop for the GSR because they had new GSRs.

After that ACM meeting I decided to make a few calls since I had not heard if any GSRs in the district were hosting a Agenda Items Workshop in Visalia. I made reservations at Visalia Alano Club for March 24<sup>th</sup> 2-4pm

Attended the Agenda Items Workshop in Clovis on March 24<sup>th</sup> and listened to the Delegate, Alt Delegate and CNIA Chair provide updates on Agenda Items.

March 24<sup>th</sup> I hosted the agenda items workshop and had 12 AA members and 6 GSRs attend the event. See Agenda Items Workshop meeting notes for items discussed.

Pre-Conference Assembly in Saturday April 6-7 in Denair and I will be provided comments from our district to the delegate at the assembly. Would like to get GSRs who attended to review my meeting notes and provide any items I may have missed to me by Friday April 5, 2024.
