A Merry Christmas to Everyone - And It Can Be!

Many A. A. members create an unnecessary mental hazard for themselves over the approach of the Christmas and New Year holidays. The newcomer, in particular, who has joined an A. A. group since the last holiday season is prone to spend some unhappy moments worrying about how to refuse a drink, and thus avoid a bender, when family and friends are participating in the Yuletide celebration. The problem often seems very real to him despite all he may have heard or learned about the application of the 24-hour plan. Habit is still a strong factor and his custom has been to get cock-eyed, perhaps without intent, on Christmas Eve and then to continue the binge well through New Year's Day, provided- his endurance holds out.

Having very likely spoiled Christmas for the entire family, the alcoholic is usually bothered by remorse but not yet ready to face the unpleasant facts and the only escape seems to be to remain drunk for a few days longer. He rationalizes something in this manner: Isn't it the time of year to celebrate and won't employers be more lenient than usual if the job is neglected? Besides, aren't the members of the family a little intolerant of a chap's right to have fun when others are enjoying the season's good cheer?

The difficulty of coming through the holidays unscathed can be intensified for the new recruit to A. A. ranks by lack of understanding of the alcoholic illness on the part of relatives or friends. Without realization of the catastrophe they may bring about and often acting from the most

hospitable motives, sometimes augmented by the few snorts they have indulged in themselves, these good people occasionally don't accept the A. A. member's first statement that he is just not drinking. They proceed to give him the insidious argument, that Christmas or New Year's only comes around once a year and certainly a drink or two on such an occasion can't possibly hurt anyone. Perhaps for a moment his guard is lowered and John Barleycorn, always alert, gets in a swift one. In my personal experience in A. A., which includes four of these holiday seasons, the argument of the special occasion has been trotted out several times, by people who, I am certain, wish me well and who, furthermore, have good reason to know I have not handled liquor successfully for a long lime. (At other seasons of the year it doesn't occur to them to even offer me a drink, much less argue that I should take one.) I then have to quietly remind them that I am an alcoholic and that the calendar date has no bearing on that fact. In my experience, this explanation suffices and, still a little puzzled perhaps, they at once become absorbed in their own drinking processes.

When Pearl Harbor came and, much later, when V-E and V-J days arrived, there were some timid souls who made dire predictions that the effect of such emotional events would be disastrous to the A. A. membership. Their fears were not well-grounded because the majority of members had so completely adopted the 24-hour plan of living. At the start of each of these days our minds, by long habit,

had been made up not to drink on that particular day just as they had been for many days previously. Why then should we make any exception over war or peace? And, by the same token, why make any exception of Christmas or New Year's? It is fundamentally as simple as that. In approaching Christmas then, there are it seems to me, two important ideas to keep' constantly before us: (1) We aren't going to have any fun if we take the first drink; and (2) we must make up our minds to refuse that drink before it is even offered to us (preferably at the beginning of each new day). If we adhere to those two simple principles we can have a really magnificent time over the holidays.

Certainly there is no need for us to be grim about our inability to hoist a few. For once, we will know what is going on about us and there are always many holiday parties in our groups or with our closest A. A. friends, where good cheer abounds without the adjunct of the wassail bowl. This year also, it seems, we can look forward to "Peace on earth" and we, who belong to the great company of A. A., should understand better than most the Christmas message, "Good Will Towards Man"

Step 12 *Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.*

Step 12 is a way of life that gives me freedom! Step 12 to me embodies being of service to other alcoholics. That service can be shaking hands, making coffee, setting up chairs, etc. I believe that I you are helping others with the goal; of staying sober you are being of service.

One of the crucial things that I do to be of service is sponsoring other alcoholics! I have to admit, it is a semi-selfish endeavor. When my sponsees are ready to start sponsoring other alcoholics I ask them, "What is the purpose of sponsorship?" I usually hear, to carry the message, to give away what was freely given to me, things like that. My response is no, those things are aspects of sponsorship. In order to sponsor someone I need to do all that, but I sponsor other alcoholics in order for me to stay sober. All those other great things that come along with that relationship is a benefit!

In Bill's Story at the bottom of the page 13 into 14 it says: My friend promised when these things were done I would enter upon a new relationship with my Creator; that I would have the elements of a way of living which

answered all my problems. Belief in the power of God, plus enough willingness, honesty and humility to establish and maintain the new order of things, were the essential requirements.

I was taught that this section outlines the spiritual principles and that by living the spiritual principles belief in the power of God, plus enough willingness, honesty, and humility, I would be free.

It is TRUE! I have been able to get out of my own head and let these principles guide me. If for some reason I find that something feels off in a situation, I look at these principles and I am invariably not following one of these principles, when I make that adjustment and trust God it has always worked out!

This step will help me stay sober for the rest of my life!

Tradition 12

"And finally, we of Alcoholics Anonymous believe that the principle of anonymity has an immense spiritual significance. It reminds us that we are to place principles before personalities; that we are actually to practice a genuine humility. This to the end that our great blessings may never spoil us; that we shall forever live in thankful contemplation of Him who presides over us all."

The heart of the 12th tradition is described in our literature as being comprised of the substance of "Sacrifice". Many A.A.'s, including myself, may have been turned off by this at first. However, the true meaning of the word sacrifice in this tradition has to do with the separation from our own selfish motives in favor of the wellness and longevity of Alcoholics Anonymous. When we practice anonymity, we humble ourselves to God and to our fellows and we experience the blessing of being less than extraordinary, which doesn't mean we are falling on our swords or losing something. In other words, when we set our ego aside and do what the 12x12 refers to as practicing "real humility at work", we willingly let go of personal desires for recognition at the group and public level. What we receive as a result of this surrender is a space of safety for ourselves and others to recover, and the preservation of the institution of Alcoholics Anonymous.

It is because of tradition 12 that sponsors have the ability to create trust within their sponsee relationships, where individuals can open up about the hardest and most painful spots in their lives and in their drinking careers. At the group level, it allows for places where members get to be seen and heard by fellow Alcoholics. To meet life's challenges imperfectly and to seek solution without fear of

judgement or exposure. It gives us the grace to falter and make human error without being concerned of how this error could hurt the organization's image. When we gather for business meetings, we practice respectfully allowing people to have perspectives and opinions that differ from ours. We equally share the ability to have our vote and allow God to speak through our group conscience.

So how do we share the message of A.A. and maintain anonymity at the level of press, radio, and film? Without shouting it from the rooftops to our friends and family that we have found a solution? By reading about the trial and error of early A.A.'s in the 12x12, it is clear this wasn't an easy road to navigate at first. Both secrecy and boastfulness had their downfalls. Balance was found by being open to helping others. When moments come to us where sharing our experience proves useful, we carry the spirit of tradition 12 into private conversation where our fear can be released and we can be of true service. One Alcoholic, relating to another.

Tulare County Hospitals & Institutions

December 2021

Hospitals & Institutions continue to serve the following facilities, Pine Manor Recovery, Women's Recovery Home, Mental Health and Turning Point (all are back to in person) Our local jails remain closed to meetings. H & I provides literature to facilities upon request and/or at time of in-person meetings.

- We continue to have several new volunteers join our monthly orientation.

- We are in the process or planning a Regional H&I Workshop for early next year in conjunction with the other Areas. This will be a great opportunity to learn about this type of service work.

- The committee reviewed NorCal's proposal for restructuring the committee. The proposal includes adding Area Chairs to the Steering Committee, having the Steering Committee meet 4 times a year via zoom and holding one General Committee Meeting, which will be a two-day event. After review, our Area and Region support this proposal as it will create a democratic voting structure and will promote attendance due to the accessibility of zoom. The NorCal Committee will begin the voting process on this proposal in January, 2022.

H & I continues to encourage all groups to elect an H&I Representative and to attend the business meeting. This will/would ensure we are carrying the collective conscience of Tulare County to the NorCal Committee.

The next H&I orientation will be December 18, 2021 at 9:00 am. The next H&I bi-monthly business meeting and orientation is on January 22, 2022, 9am will be an orientation, followed at 10am business meeting. The zoom acct. ID: 885 8119 7080 Password: Sober.

We inform professionals and future professionals about A.A. - What we are, where we are, what we can do, and what we cannot do. We attempt to establish better communication between A.A. and professionals, to establish simple, effective ways of cooperating without affiliating.

We are looking forward to the upcoming health fairs and other opportunities to spread awareness of A.A. to those who may not know about us otherwise. This is a great opportunity for service and we welcome ideas for potential events AA may provide awareness at. Please contact your local CSR or central office if you have any questions.

Thank you,

Does Your Group Have a GSR? A GSR (General Service Rep) is the group's representative to both the district and the area—the AA group's link to AA as a whole. This kind of service isn't for everyone, but if you have an interest in being a part of AA's collective group conscience, ask at your next business meeting if your group has a GSR. If not, volunteer or suggest that your group elect one. For many, serving as a GSR can be an excellent opportunity to be a part of discussions and decisions rooted in our Twelve Traditions. It can also be an exciting learning experience becoming familiar with the Twelve Concepts for World Service and seeing them work to facilitate the expression of God's will through AA's collective group conscience.

Our Secretary is Ryan B., and business meetings are the last Sunday of the month (immediately after). Usually, there are between 20 and 40 people attending our meeting with great fellowship. In love and service, David G. Springville Gut Level, Monica R, CSR: We meet every Thursday at the Lighthouse Chapel in Springville from 7-8:30pm. This is an open meeting and everyone is welcome. We regularly contribute to all AA entities. We celebrate yearly anniversaries on the last Thursday of every month with cake. We invite you to join us soon!

Lindsay Fireside Fellowship, Trudy CSR: We are a small, intimate, one topic discussion meeting. We gather every Thursday from 7:30-8:30 in the fireside Room of the United Methodist Church, corner of Honolulu and Gale Hill due east of City Hall. We have begun using the book As Bill Sees It as a topic generator and for readings. We celebrate annual birthdays at the end of each month, and give monthly chips anytime for folks under one year. We have been meeting regularly through the pandemic, thanks to the blessing of the Church, sitting socially distanced and wearing masks until August when restrictions were lessened. We ask that anyone attending share their phone number(s) with us in case of need for contact tracing.

Young Guns Meeting, George H. CSR: This is an open meeting and all are welcome. We meet at 165 E. Mill Ave, in Porterville on Fridays at 6:30 pm. We give chips for various lengths of sobriety. This meeting could use some support. Young Guns is for anyone who is young at heart.

Saturday Night Believers, George H. CSR: We meet at 764 W. Henderson Ave. in Porterville on Saturday from 7-8:30 pm. This is a closed meeting and only those who identify as alcoholics and /or those who have a desire to stop drinking can attend. We celebrate various lengths of sobriety on the last Saturday of the month.

OLD BUSINESS: 1. After hours phone calls have really slowed down. Cheryl has been giving out a wrong number for Lemore...she has corrected this error.

2. VenMo will be put into service on January 1, 2022. The new phone needs the screen replaced, Central

Office will have this done for \$50.

3. Zoom: We have renewed our yearly subscription for another year because we just don't know what the future will bring.

4. The parks Dept. has reimbursed Central Office \$100 instead of \$50.

NEW BUSINESS: Could CSRs please ask their groups if they would like the Central Office to create a yearly budget of projected expenses and operating costs? Please report back.

Lighter Side of AA

The Helpful Husband

After the husbands fifth trip to the host's bar for refills, the wife said, "Aren't you embarrassed to go back so many times?"

Hubby: Nope. I keep telling them it's for you.

The Widower

A drunken widower is at the funeral home receiving guests. His wife was killed in an unfortunate accident, their donkey had reared up and kicked her in the head.

The minister notices every time a woman speaks to him he shakes his head yes, and everytime a man speaks to him he shakes his head no. The minister takes him aside and asks him what they are saying...

"Well the women are expressing their condolences and telling me how wonderful my wife was and I am shaking my head in agreement and understanding. The men, well, they want to know if the donkey is for sale."

In the Boat

Two alxies are fishing on a lake. A genie appears and grants them one wish.

One guy blurts out "Turn the lake into beer!"
SHAZAM! It happens.

The other alkie, always discontented, says "Oh, great. Now we have to pee in the boat."
