

## CSO Liaison Report 2025-11-04

Our October CSR Meeting was held on October 7<sup>th</sup>, 2025.

We no longer have a newsletter editor; if someone enjoys desktop publishing, this would be an excellent service commitment.

Central Office has purchased a webcam and speakerphone for Zoom meetings in the office. A monitor was donated, so we have all we need to host Zoom meetings without a member hauling a backpack full of gear in.

The New Year's Eve 2025 Planning Committee met on October 7<sup>th</sup> at 5 PM in-person and over Zoom. We picked the speaker to ask, and clarified questions about decorations and menu. We do have service positions available, for people who want to be involved. The Zoom link for the next meeting is on the aa-tulareco.org web site, or you can join with meeting ID 886 9666 9352 and passcode 425429.

Nominations for Central Office Board of Directors are due in November. Two board members have hit their term limit and will be out.

Printed paper CSR packets won't be made, unless a CSR asks for them ahead of time. Otherwise, the documents will be available online.

We implemented the new website calendar software, and eliminated the buggy one. It would be helpful if groups would examine their business meeting entries and let us know of errors fixed or updates needed.

A new flag in the Meeting Guide App (and website meetings list) lets your groups announce if they provide attendance verification. If they want that feature of their meeting announced, please contact me or Carol Ann.

Thank you for letting me of service.  
David G.
