STEP FIVE

“Admitted to God, ourselves and another human being the exact nature of our wrongs”

Being raised in a religion I had the confessional available to me. But going to confession I was given a few prayers for my penance and absolved of my sins (wrongs). If I just admitted to myself, I would just temporarily do good for a while, but I would eventually fall back into my old ways then I got to AA and had to tell another human being the exact nature of my wrongs. Unlike the confessional and myself, telling someone else helped me not to make excuses for my wrongs. In telling someone else it was harder for me to make excuses. Also, the other person can call me out on my backsliding and keep me in check. Thanks to AA and Step 5 I can live a better life.

Jerry S.

Tradition Five

*Each group has but one primary purpose -
to carry its message to the alcoholic who still suffers.*

Certainly our individual skills are to be proud of, and it would only be natural that we might consider the benefits we could provide to our fellow AA members. New members are often in dire need of aid in many aspects of their broken lives. Seasoned veterans have troubles too and wouldn't it be wonderful if Alcoholics Anonymous was an all inclusive provider, a panacea.

We could present monetary assistance, auto repair guidance, home maintenance instruction, and even computer skills [education](#). [We](#) are blessed with an ocean of experienced and sober members, having enormous knowledge and hands on experience. So why do we not take advantage of these blessings and spread the our program's scope to include these services?

Sounds kind of ridiculous doesn't it? The reason our beloved program works so well is precisely because we avoid trying to be everything to every one. Each of us is blessed with an AA story about our discovery of this marvelous living plan. It is a wondrous tool we all possess and it is a PHD in demoralization with an internship in recovery. We are all a chip in the vast puzzle of sobriety.

Tradition Five protects us from ourselves, like all the Traditions do. We are not responsible for any expertise in any regard other than our experience, strength and hope. We do one thing well and if we can protect each other and assume enough humility to forego career,

family, financial and lifestyle advice, letting the Big Book do that for us,
we will survive and thrive.

H & I Report Joyce

The only purpose of the Northern California Hospital and Institution Committee is to carry the message of AA to alcoholics in corrections and treatment facilities and facilities serving alcoholics in Northern CA.

In Tulare, we continue to carry the message of AA monthly to 8 different treatment facilities by bringing 14 AA meetings monthly to these facilities. We bring 6 to 8 AA meetings in Spanish and English monthly to the Tulare County Jail. Our volunteers attend the AA meetings being held at Avenal, Corcoran, and SATF Prisons as often as possible. AA literature is provided upon request at our meetings.

At our March 14, 2026, Area Business Meeting, we welcomed 2 two new volunteers, had volunteers step up to lead H&I meetings so we now have all meetings covered, and elected a new co-chair, Erica D. Erica will begin assisting in the different aspects of H&I at the Area level to be ready to move into the Area Chair position at year end. We are grateful to be able to practice the spirit of rotation. Our committee is going to have a table at the Founder's Day Picnic. We also agreed to try a texting service to streamline the communication process with our volunteers.

IVSS (Inmate Volunteer Sponsorship Service) which provides members on the inside with a sponsor on the outside is currently serving over 200 inmates in the Northern California Area, with waiting lists at each facility to be matched with sponsors. Locally there are 40 inside members matched with outside Sponsors and 25 more waiting on a waiting list at Avenal and Corcoran. If you have 5 years of sobriety and previous sponsorship experience, this is a great way to get involved. Sponsorship is all done from the comfort of your own home digitally over a secured service to protect your anonymity. If you are interested, more information is available on our website at www.handinorcal.org or you can reach our local committee at handiarea93@gmail.com

Our current financial position continues to be [?] [?] [?] [?] [?] [?] [?] as our expenses have put us into our recommended total 6-month cash on hand. We continue to encourage all meetings to pass the pink can and have treasurer's send in the money regularly. The consistency in contributions, will allow our committee to adjust to the rising literature costs so we can stay within in the generous means afforded by our fellowship. If your group does not have a pink can, please send an email to our local committee at handiarea93@gmail.com . We will make sure to get you one.

Please send any interested AA members to our next orientation which will be held: 9:00 am followed by business meeting at 10:00 am on May 9, 2026, at 526 N. Bridge Street, Visalia, CA 93291.

Assembly Reports:

Pre-Conference, Marie (D19): Please check ALL preconference flyers for incorrect information the address of District 19 the correct P.O. Box number is 3422. There have been several versions of this flyer included in the Accents over the last few months with incorrect information. The next committee meeting will be held on March 25th. They are ahead of schedule with regards to the guidelines provided by our Area, Back-to-Basics housings, availability is our focus at this time.

Post-Conference, Hector (D53): I have flyers on the table for post-conference.

Everything is ready including food. The hotels are on the back. No hotel discounts because graduation is in May.

Mini PRAASA, Robert (D17): Lodging arrangements made. Jose is helping with our meeting and planning. Winter Assembly, Curtis (D22): They haven't done anything. Will have more to report at next ACM.

Old Business - GSR Scholarship Fund: Motion to amend the 2027 spending plan that would include a scholarship fund that would fund GSRs and DCM members to attend the three general assemblies in person and it would cover 50% of expenses to attend and would set aside a budget of \$3,000 per year.

Treasurer, Drew mentioned that last year we had a \$400 surplus of leftover funds at the end of the year. Where is the money going to come from and we would need to think which other programs get cut to support this motion.

Scotty- thinks this is good for those who cannot attend due to lack of funds, are we taking the money from other budgets?

D22 Grass Valley DCM- stated that he is not in favor of this motion because there should be funds set aside to assist the GSRs and DCM to attend the area assemblies.

Tom- asked how come the past delegates were not included in the motion and the finance committee has not even discussed or considered.

Christine- Financial issues shouldn't stop GSRs and DCMs from able to participate in area meetings. Each district should have funds available to send their DCM to Area Assemblies. Splitting the cost of travel with district GSRs could also help with cutting costs.

Motion to postpone until next meeting in June

New Business: No new items added

CNIA.org Tour: The new Webmaster conducted a overview of the CNIA website for new DCMs and Alt DCMs to see how to get and collect information that they need for assemblies, conferences, new GSRs and other events.

There are many areas that are using AI to take meeting minutes and use it for their business minutes.

Rural communities are experiencing accessibility to AA area meetings and AA meetings. People in Alaska have experienced that alcohol was more accessible than AA.

NORTHERN CALIFORNIA HOSPITAL & INSTITUTION COMMITTEE

H&I ANNUAL PINK CAN REPORT TO THE FELLOWSHIP – FYE 2025

The Hospital & Institution Committee of Northern California is a Ninth Tradition service committee of Alcoholics Anonymous with the purpose of carrying the message of A.A. to those who are confined in prisons, hospitals, treatment facilities, and other institutions. NorCal H&I has been carrying the A.A. message of recovery to confined alcoholics dating to its origins in 1942 at San Quentin State Prison, and is one of the oldest Ninth Tradition service committees of Alcoholics Anonymous.

Northern California H&I supports more than 27,400 meetings *each year*, serving approximately 20 major state and federal institutions plus hundreds of local jails, hospitals, rehabs, and other community facilities. Unlike in most areas of the country, the NorCal H&I Committee incorporates service to both treatment AND corrections facilities, allowing a simple path for volunteers to move through different service commitments, as well as the ability to distribute our resources across the spectrum of facilities and institutions for confined alcoholics. Additionally we make sponsorship services available to hundreds of inmates confined in state prisons.

Those who are confined often don't have the resources to buy AA literature, so the Pink Can, with your contributions, covers this cost. Unlike other areas of the country which don't have separately funded H&I committees, in Northern CA the use of the Pink Cans allows us to purchase literature necessary to our service without placing the burden of this expense on the local groups, Central Office, or General Service Committees.

In the period ending December 2025 NorCal H&I incurred \$539,712.18 of literature expenses for the use of the alcoholic who is confined. Despite lingering shutdowns, we were still able to distribute literature, including AAWS books, Grapevine / LaViña magazines and books, and meeting schedules to our facilities. These essential categories comprise 87.7% of NorCal H&I's total 2025 expenses; 5% of our expenses is allocated to help the Areas in performing the work of our committee while the remaining 7.3% covers our operating costs. Additionally, we pay for neither an office nor for salaries for service committee workers, thus enabling us to dedicate such a large portion of our contributions to literature for the confined alcoholic. We publish our Financial Report online monthly in order to be accountable to our Fellowship for these and all other expenses.

The Northern California Hospital & Institution Committee has for many years been one of the largest purchasers of literature from AAWS, contributing significantly to the support of our General Service Office in New York. No H&I members are ever paid for their Twelfth Step service, nor are they reimbursed for expenses incurred carrying the message into these institutions, regardless of the distance. Some H&I volunteers drive well over 200 miles for a weekly or monthly institution meeting - these travel expenses are a personal contribution of the individual.

The H&I Committee is adamant that the contributions so generously made to our Pink Cans in no way detract from the Seventh Tradition collections of the groups. We therefore ask that the Pink Cans be passed separately from and after the baskets to avoid subtracting from support of the Seventh Tradition, and we encourage all members to remove the cans from the baskets if they are being passed together. Many groups have had success in passing the collections at different times, for example passing the basket at the regular time and passing the Pink Cans at the end of the meetings. An online payment option is also available from our website at <https://www.handinorcal.org/contribute> where you can get a receipt as soon as the transaction is processed.

We are humbly grateful for the generous contributions, both financial and in service, of the AA members of Northern CA who make our mission possible, and especially for the cooperation of our fellow service committees through-out the area. **Without this loving support, tens of thousands of confined alcoholics simply would not have access to the lifesaving message of A.A.**

For additional information, please visit our website at www.handinorcal.org or write to the Northern California Hospital & Institution Committee. P.O. Box 192490, San Francisco, CA. 94119-2490.

Had our first health faire. I see a challenge in that I live in Porterville, & most all the events are in Visalia. I do not want George's hard work to go to the wayside. I would like to set up a list so that volunteers local to Visalia that are willing to exhibit these upcoming events. Please reach out so we may fill volunteer positions.

H & I Report Joyce

The only purpose of the Northern California Hospital and Institution Committee is to carry the message of AA to alcoholics in corrections and treatment facilities and facilities serving alcoholics in Northern CA.

In Tulare, we continue to carry the message of AA monthly to 8 different treatment facilities by bringing 14 AA meetings monthly to these facilities. We bring 6 to 8 AA meetings in Spanish and English monthly to the Tulare County Jail. Our volunteers attend the AA meetings being held at Avenal, Corcoran, and SATF Prisons as often as possible. AA literature is provided upon request at our meetings.

At our March 14, 2026, Area Business Meeting, we welcomed 2 two new volunteers, had volunteers step up to lead H&I meetings so we now have all meetings covered, and elected a new co-chair, Erica D. Erica will begin assisting in the different aspects of H&I at the Area level to be ready to move into the Area Chair position at year end. We are grateful to be able to practice the spirit of rotation. Our committee is going to have a table at the Founder's Day Picnic. We also agreed to try a texting service to streamline the communication process with our volunteers.

IVSS (Inmate Volunteer Sponsorship Service) which provides members on the inside with a sponsor on the outside is currently serving over 200 inmates in the Northern California Area, with waiting lists at each facility to be matched with sponsors. Locally there are 40 inside members matched with outside Sponsors and 25 more waiting on a waiting list at Avenal and Corcoran. If you have 5 years of sobriety and previous sponsorship experience, this is a great way to get involved. Sponsorship is all done from the comfort of your own home digitally over a secured service to protect your anonymity. If you are interested, more information is available on our website at www.handinorcal.org or you can reach our local committee at handiarea93@gmail.com

Our current financial position continues to be [?] [?] [?] [?] [?] [?] [?] as our expenses have put us into our recommended total 6-month cash on hand. We continue to encourage all meetings to pass the pink can and have treasurer's send in the money regularly. The consistency in contributions, will allow our committee to adjust to the rising literature costs so we can stay within in the generous means afforded by our fellowship. If your group does not have a pink can, please send an email to our local committee at handiarea93@gmail.com . We will make sure to get you one.

Please send any interested AA members to our next orientation which will be held: 9:00 am followed by business meeting at 10:00 am on May 9, 2026, at 526 N. Bridge Street, Visalia, CA 93291.

In Service,
Joyce Rauen, Area 93 Chair
