

Office Report

Sept 8th, 2026

Good evening!

For the period from July 21st thru August 20th, 2026 Central Office had an income of \$4,053.22 and expenses of \$3,801.64 for a gain of \$251.58 for this accounting period. So grateful to be above our prudent reserve!

This office is totally self-supported through your contributions so thank you for all you do!

Birthday Club: We had 1 grateful member contribute \$23.00 to Central Office Birthday Club to celebrate their sobriety! Thank you and happy birthday! **Please remember to announce the Birthday Club to your groups**, it's a great way to support the area that helps you stay sober! The cut off date for the Newsletter mention is the 20th of the month, the 17th if it is an electronic transfer.

Group contributions: 12 groups contributed to Central Office this accounting period for a total of \$1,553.56!

I am so grateful to add 2 new groups to the Group Contributions report having received their 1st contribution for the year! It will reflect in next accounting periods reports. Any contribution from your group reflects better then no contribution at all. It's not a competition; it's a contribution!

Grateful Giver Club contributions: 4 anonymous grateful alcoholics donated through our Grateful Givers Club totaling \$135.36

Individual contributions: We had 3 individual alcoholics generously donate to our office for the amount of \$465.00. Thank you!

Thank you for helping us meet our monthly expenses that help us share our AA message of recovery.

Grateful to be working with people that promote unity of the fellowship and for taking the time to explain to our newcomers about AA service opportunities, and why AA groups need to have business meetings regularly. This office is a reflection of you and all you do to keep us financially stable!

Please continue informing members about this office and the services we provide. We are better when we work together! We truly are grateful for your support! We are nothing without YOU!

Thank you!
