TRADITION 10

“AA has no opinion on outside issues, hence the AA name ought never to be drawn into public controversy”.

One of my favorite Traditions, this makes the lines between AA and the outside world clearer than the lines between our personal lives and our membership in AA.

During Covid, the Traditions were used to support either side of the controversy of whether meetings should shut down or continue face to face. Members had their opinion and perception regarding the matter. Both sides insist they were right. It was sad to watch.

Tradition 10 reminds us that there need be no dispute or strong opposing views regarding matters outside the primary purpose of AA.

Tradition 10 is about wisdom. We learn when to speak wisely and when to be silent. Sometimes silence is the wiser choice.

What are outside issues? Anything from the outside world that creeps into meetings. Politics, religion, etc., or other organizational practices that affect the atmosphere of recovery in our meetings.

A loving Higher Power works through us when we let go of the need to hear our own voice and listen to the group's conscience instead.

We, as AA members, learn to turn away from public opinion and focus on our work.

As it says in the Big Book, “we are a group that would not normally mix”.

Set aside your personal self and work for the good of AA.

In Service,

Cheryl H.

Step Ten - Continue to take personal inventory, and when we are wrong, properly admit it.

When I think about step ten, I think of the word "maintenance." Step ten is helping me maintain my program. It is keeping my side of the street, which was cleaned by the previous steps, clear. If you are at step ten, you have already done the heavy lifting. Steps one through seven put your spirit, mind, and heart in the right place to honestly do the heavy lifting in steps eight and nine. With that complete, your side of the street is clean, and you can move forward. That is where step ten comes in.

However, we must remain vigilant with step ten. You see, your higher power decides which ones and when; your defects of character are removed, so some may linger in the background, as they sometimes do with me, and that makes step ten a challenge. That is why we must remain aware through our continued personal inventories to look for thoughts of Resentment, Fear, Selfishness, dishonesty, or jealousy, which, our books say, are some of an alcoholic's worst enemies, for they will try to find a way back into our hearts and minds. This is just another example of why our AA members say this program is simple, but they don't say it's easy.

That challenge showed up for me because I was focused, like many others, on the back half of step ten, which says, "when we are wrong, promptly admit it." At times I struggle with that, particularly with people I think wronged me. We, alcoholics, love that victim role. They were rude, they were inconsiderate, or disrespectful; why should I admit any wrong? I was not focused on what I did to cause the resentment.

But as I grew in my relationship with a GOD of my understanding, I discovered I hadn't put as much effort into the first half of step ten, which says "Continued to take personal inventory." Once I did that, I discovered, like most alcoholics do after getting sober, that the problem was me, not the rest of the world.

So what does this continued personal inventory look like? Well, for me, it's step ten rolling into step eleven. I guess that's why it is suggested that we do these steps in order. It's quiet time with a cup of coffee almost every morning, centered on the daily reflections, the Serenity Prayer, the nine-step promises, and our twelve principles: honesty, hope, faith, courage, integrity, willingness, humility, love, discipline, patience, awareness, and service.

Our twelfth Step says we are to "practice these principles in all our affairs". Again, showing these steps are in order for a reason. If I take a few minutes in my morning to inventory myself and ask my Higher Power for guidance in executing these principles and practices, I am then spiritually fit to start my day. Then, when I am wrong, which happens more often than I would like. Promptly admitting it comes much more naturally.

Reference Big Book PG 83, P. 1, L. 8-11. Asking each morning in meditation that our Creator show us the way of patience, tolerance, and love. The spiritual life is not a theory; we have to live it.

Robert Camargo.

Serenity Prayer

God, grant me the serenity
to accept the things I cannot change,
the courage to change the things I can,

CSR Preamble:

We are the Central Service Representatives.
We are the link in the chain of communication for our groups
with the Tulare County Central Office.
We realize the ultimate authority is a loving God
as he may express Himself in our Group Conscience.
As trusted servants,
our job is to bring information to our groups
in order that they can reach an informed group conscience.
In passing along this group conscience,
we are helping to maintain the unity and strength so vital to our fellowship.
Let us,
therefore,
Have the patience and tolerance to listen while others share,
The courage to speak up when we have something to share,
And
The wisdom to do what is right for our group and A.A. as a whole

H&I Report

The only purpose of the Northern California Hospital and Institution Committee is to carry the message of AA to alcoholics in corrections and treatment facilities and facilities serving alcoholics in Northern CA. Locally, we continue to carry the message of AA to 8 treatment facilities, Tulare County Jail, Corcoran, SATF and Avenal Prisons providing AA literature upon request.

We are always looking for AA members who are interested in going into facilities and bringing an AA meeting. There is a large need for volunteers who would like to go into Correctional facilities along with Women who have Thursday's open and are willing to participate with us at two women's facilities. Please share this information with your groups and send any interested AA members to our next orientation which will be held September 12, 2026; 9:00 am at 526 N. Bridge Street, Visalia. This is followed at 10:00 am by our Business Meeting. The Business Meeting is a great opportunity to hear an overview of all the facilities we serve and service opportunities. We will be planning our volunteer appreciation event and gearing up for the Area Chair rotation in November.

On the back of the report, I have included the NorCal Quarterly News Brief. This provides an overview of everything going on at the NorCal Committee level to share with your group. This report and the Financial Report are available at www.aa-tulareco.org on the H&I page and at www.handinorcal.org. Please continue to pass the pink can at your meetings as we continue in **Neutral** Financial position. If your group does not have a pink can, please send an email to our local committee at handiarea93@gmail.com or pick one up at the Central Office. Please pass the pink can after the 7th Tradition basket to not detract from the 7th Tradition.

New upcoming conferences... the latest one will be in Fresno NCCAA October 9-11

Mostly speakers and fellowship. The expenses Expenses for our local GSR began with \$3173. Expenses \$575. Balance \$2778.

Three proposals that are still up for discussion, one is possibly off the table on how the delegates can change the big book. One option is that it can't be changed at all. They are looking at proposal 1 & 2.

Our delegate Michael Casas is looking for an alternate Dcm he is looking to slide out of that position... but begin with an alternate. The EVERYTHING AA app was not part of AA, however was purchased by AA. There will be a few adjustments. All of the Joe & Charlie tapes will be eliminated on that app.

H&I report September 2026,

The only purpose of the Northern California Hospital and Institution Committee is to carry the message of AA to alcoholics in corrections and treatment facilities and facilities serving alcoholics in Northern CA. In Tulare, we continue to carry the message of AA monthly to 8 different treatment facilities by bringing 14 AA meetings monthly to these facilities. We bring 6 to 8 AA meetings in Spanish and English monthly to the Tulare County Jail. Our volunteers attend the AA meetings being held at Avenal, Corcoran, and SATF Prisons as often as possible. AA literature is provided upon request at our meetings. We are always in need of volunteers for IVSS and the prisons. If you are interested in IVSS you can email HANDI.IVSS@GMAIL.COM. IVSS sponsors must have 5 years of sobriety and experience sponsoring. An informational flyer is available on aa-tulareco.org. Volunteers for prisons should have 2 years of in sobriety and previous H&I experience. I recently attended the July Norcal H&I committee meeting. We talked about taking meetings to SLE's (sober Livings) we talked about the definition of "confined" and who we are serving in H&I. Sometimes confined can mean financially. We ended March in Neutral financial position. We continue to encourage all meetings to pass the pink can and have treasurer's send in the money regularly. If your group does not have a pink can, please send an email to our local committee at handiarea93@gmail.com. We will make sure to get you one. NorCal financial reports are available at www.aa-tulareco.org on the H&I page and on www.handinorcal.org under finances tab. The Treasurer email address is on the bottom of the financial report in the event you or your group have any questions or concerns. Please send any interested AA members to our next orientation which will be held: 9:00 am followed by business meeting at 10:00 am on July 11, 2026, at 526 N. Bridge Street, Visalia, CA
In Love and Service

Old Business/Discussion:

BTG/Accessibilities/PI/CPC funding to NCCAA in October Motion: CNIA Area 07 make a budget amendment to allocate \$1,200 to fund three committee representatives, Accessibilities, Bridging the Gap, PI/CPC, to attend the NCCAA conference in Fresno on October 9 through 11, 2026- There was no discussion on exactly would be taught and learned during the meeting for those attending and many of the DCM are not in favor for amending the budget and approving the funds for three appointed chairs to attend the meeting. Treasurer said that if we do one budget amendment then how many more times will we do budget amendments throughout the year. **Motion failed**

Proposed Agenda Item-There was a lot of discussion that groups are not clear on PAI items 1 and 3. Some of the groups do not support PAI 1 and want more time to discuss before the Area votes to support. The members who wrote the PAI are welcome to submit their PAI to AAWS. Without Area 7 support. **There was no motion to move to support**

PAI 3 has been withdrawn from submission
